Housman. He continued to hold the lease until
Saturday, when Captain Housman obtained possession by means of proceedings instituted before
Justice Middleorook, the ground of the suit being
the non-payment of rent for two quarters. When
possession was thus given it was found that all
the lurniture had been removed, and even the
cooking range and gas fixtures had been carried
away, and the pump taken from the well. Winship's creditors on the island are understood to
be quite numerous.

The action of the town officers of Southfield, in authorizing the bonding of the town to the amount of \$6,000 for the purpose of opening the new Southfield road, has yet to be approved by the County Board of Supervisors. The hope is the County Board of Supervisors. The hope is very generally expressed that they will approve the course taken by the Highway Commissioners and town officers, and at once authorize the work to proceed, as it will give work during the fall and winer to a considerable number of laborers who may otherwise oe without employment. The extent of the proposed road is about six miles, and it will constitute one of the most pleasant shore drives on Staten Island.

Ship Canna, Harriman, from Victoria, BC, for Adelaide, nut into Sydney, NSW, Aug 16, for repairs, and reports that on the 31st of July, when in lat 39 56 and fon 16; r., a strong NE gale was encountered with heavy rain and squalis; at 8 P M it veered to north and continued from that quarter blowing with hurricane violence, with high cross sea, throughout the next day, the vessel straining and laboring heavily and shipping large quantities of water. At 2:39 A M on the 24 the gale veered to NW, blowing in terrific squalis. The ship was thrown over to port, the upper deadeyes and three lower ratims being under water. Several sails were blown away, and the best of the bowspirt were smashed. The sea made a clean breach over the ship, sarting deck houses, deck load, and everything on the deek, as well as dainaging stores, clarits, breaking up each franciscus, starting gallows beam and walking were then sounded, when it was jound she had two and a half feet in the weil, which afterward increased to five feet, and part of the crew were standed at the pumps while the remainder of the hands were employed throwing the deckload overboard. The hurricane still continued; at 250 P M a tremendous sea came on board, washing several of the hands from the pumps, among whom was the captain, his leg being broken by the violence of the int. The man at the wheel was also thrown down and the steering gear carried away. After the deck load had been thrown over it was found that the water ways, seams of deek and hatch combings were open fore and aft, decks and file rails started, chain botts of lower riggling loose, milzenmast and bowspit sprung, lopmast trestletrees carried away, all the from work aloft badly broken, standing rigging strained and more or less serious chargent. TO THE PUBLIC. ASK FOR ALLCOCK'S POROUS PLASTER,

AND HAVE NO OTHERS.

See government stamp has printed on it, in white letters, B. BRANDRETH.

ALLCOCK'S POROUS PLASTERS, prepared by Porous Plaster Company, are commanding the attention of the world. This remedy applied to the spine produces sound, refreshing sleep when soporifies, including mor-

phine and hydrate of chloral have been administered to When we consider how much dyspepsia is occasioned

by the want of sleep, how much the recuperative powers of the body are retarded from the same cause, we may easily comprehend the amazing benefit imparted by the application of this Plaster. We warn the

public against base imitations and brazen forgeries of this admirable preparation.

Ask for ALLCOCK'S POROUS, and have no others.
